

# Changing Password for Zimbra Web Client

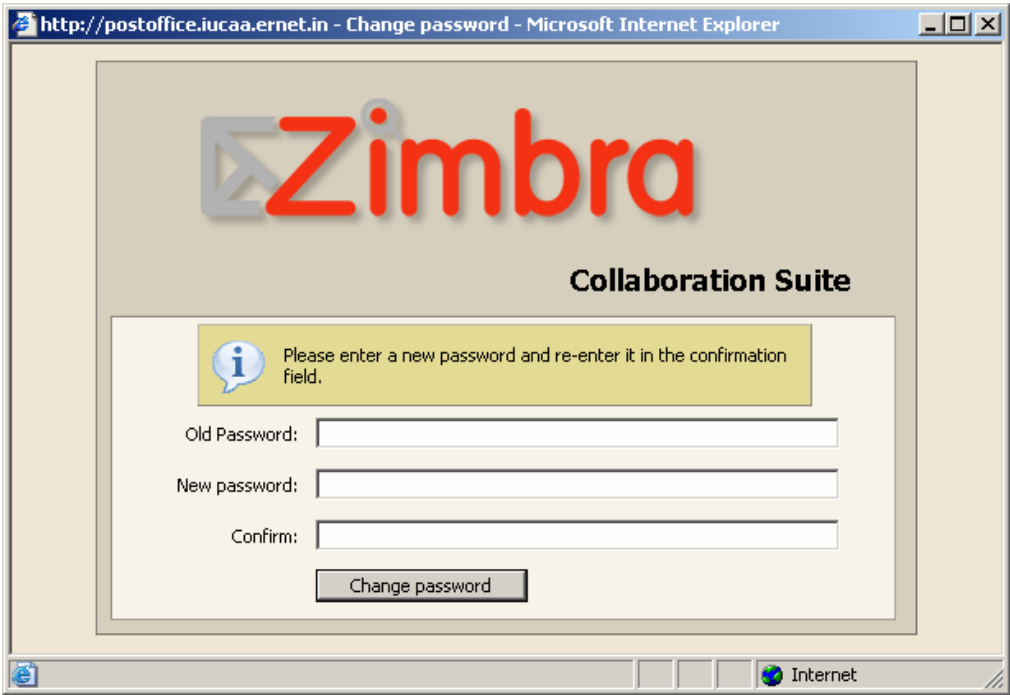

The Zimbra Web Client is designed to work within an Internet browser. The recommended browser is Mozilla Firefox 2.0 or later. Not all browsers are supported, so check with your administrator if you have questions.

**To change the Zimbra Web Client password :**

1. Go to **Preference >>General>>** Press **Change Password** Button.

2. Enter Old Password and new password and re-enter it in the confirmation field.

Following message will displayed after successfully changed the password

3. Close all the Windows.
